

# City of Hughson 2009 Contractor List

In accordance with the California Uniform Public Construction Cost Accounting Commission, the City of Hughson, California has solicited contractors to participate in the City's list of qualified contractors pursuant to Section 22034 of the Public Contract Code.

The City's List consists of those self identified firms which have submitted a standard form and have identified areas in which they are qualified, as well as the City's existing list of firms which hold business licenses in the City of Hughson, and those firms which may be periodically identified and added to the list.
