Did you know that the 2013/2014 rainfall season was the driest one on record for the State of California? That Lack of water means more dry grass and fire hazards. Please do your part to keep our city and our homes safe. Clean your part of the alley and remove weeds, dry grass, old furniture or garbage that could fuel a fire.

Now that Summer is right around the corner here are some

WATER CONSERVATION TIPS:

1. Water in 5 minute cycles.
2. Turn off the water while brushing your teeth.
3. Wash only full loads in your washing machine.
