Often, one Fund will provide service to another Fund. The General Fund provides administrative service to various funds, such as Water, Sewer, Gas Tax, BAD, LLD. These transfers cover the costs of Staff support (such as the Finance Department, Administration, etc.) to administer the programs.

Transfers are made to the IT Fund (49) from the General, Water and Sewer Fund. These transfers are to build up a reserve to fund future IT needs.

In addition, a portion of the funds collected from User fees (Sewer. Water) covers future asset replacement - via depreciation costs.
