## Hughson's Water

News, Schedules, Tips & Rates

### NEWS

As part of the Governor's Executive Order on water conservation, the State Department of Water Resources (DWR) created a rebate program for the replacement of both turf (lawn) and toilets in the State of California. The State, which dedicated \$24 million to the project, established a goal to replace 10 million square feet of turf and 60,000 old model toilets. The program, which works on a first-come-first-served basis and will be offered as long as funds remain, provides up to \$100 in rebates for the replacement of an older model toilet to a higher-efficiency toilet. Homes built before during or before 1992 automatically qualify for the program. Homes built after 1992 as well as renters may qualify upon meeting certain criteria. For more information, please visit the rebate website at [www.saveourwaterrebates.com/toilet-rebates.html](http://www.saveourwaterrebates.com/toilet-rebates.html).

City Staff continues to "flush" hydrants throughout the City. This is done to remove sediment from the water pipes to maintain water clarity and quality in the water distribution system. Although it may appear that water is being wasted, this process is part of a routine maintenance program necessary to maintain the integrity of the water system allowing the City to continue to deliver the highest quality water possible to our customers.

The City's water distribution system is a complex network of pipes and storage and storage reservoirs where sediment or deposits may naturally accumulate over time. If not removed, these materials may cause water quality deterioration, taste and odor problems or discoloration of water. Water may also stagnate in lesser used parts of the distribution system also resulting in degraded water quality.

**EFFECTIVE JULY 8, 2015**

### City of Hughson Watering Schedule

#### Landscaping Waste

All landscape waste including mowed grass, shrubs, trees and tree limbs can go in the green garbage container. The City of Hughson does not pick up roadside yard waste.

#### Pickup Service

The City of Hughson and Gilton Solid Waste are exploring the possibility of expanding garbage pickup to Wednesday for sections of the city. Impacted residents will be directly notified by Gilton.

#### Blue Bag Program

The City of Hughson and Gilton Solid Waste Management will be launching a "blue bag" pilot program in March to explore community interest in recycling options. For more details contact City Hall.

#### No Service Dates

(Garbage is collected on all days except the following. If the No Service Date falls on a regular scheduled collection date, it will be collected the following day—with the exception of Sunday)

- New Year Day
- 4th of July
- Thanksgiving
- Christmas (Collected the following day)
