EFFECTIVE JULY 8, 2015

City of Hughson Watering Schedule

EVEN Numbered Houses Watering Days Tuesday Saturday	ODD Numbered Houses Watering Days Wednesday Sunday
---	--

No watering on Monday, Thursday and Friday
WATERING PROHIBITED FROM
8:00 AM TO 7:00 PM EVERYDAY

Save Our WATER

City Staff continues to "flush" hydrants throughout the City. This is done to remove sediment from the water pipes to maintain water clarity and quality in the water distribution system. Although it may appear that water is being wasted, this process is part of a routine maintenance program necessary to maintain the integrity of the water system allowing the City to continue to deliver the highest quality water possible to our customers.

The City's water distribution system is a complex network of pipes and storage and storage reservoirs where sediment or deposits may naturally accumulate over time. If not removed, these materials may cause water quality deterioration, taste and odor problems or discoloration of water. Water may also stagnate in lesser used parts of the distribution system also resulting in degraded water quality.

Now that Summer is right around the corner here are some
Watering Conservation Tips:

1. Water in 5 minute cycles
2. Turn off the water while brushing your teeth
3. Wash only full loads in your washing machine
4. Take shorter showers
5. When washing dishes by hand, don't leave the water running
6. Don't run the hose while washing your car
7. Put a layer of mulch around trees and plants
8. Check for leaking pipes and faucets
9. Check for toilet leaks
10. Install low-flow shower heads

Don't forget to pay your Utility Bill by the last business day of the month to avoid a 10% penalty.

Visit www.hughson.org & Click on "GovPay" icon
Service fees do apply

Gilton Solid Waste Management Services Inc.
One Pass Truck, Two 96-Gallon Cart System (\$21.50/month)
