Code Enforcement Tip of the Month

This is a new section of the City Newsletter which is intended to provide information to residents on various City codes or issues which affect quality of life, neighborhood safety, cleanliness and blight. It further allows the City to engage in positive dialogue with the residents about these important issues. Each month, the City will share a Tip aimed to either help improve the aesthetic quality of homes, streets and neighborhoods or improve unsafe conditions.

October Tip of the Month: Garbage Container Placement

Please note, all garbage containers which are not out for collection should be screened from the public view. If this is not possible, containers should be stored as inconspicuously as possible on the property. Also, after collection, garbage containers should be returned to their storage place the same day.

Should you have any questions, please contact Jaylen French, Community Development Director or Alysia Gomez, Code Enforcement Officer at 209/883.4054 or jfrench@hughson.org or agomez@hughson.org

CONSTRUCTION NOTICE

PG&E has begun work on their gas line vault relocation project, moving existing vaults from the corner of Tully Road and Whitmore Avenue to along Whitmore Avenue across from The Market. This work is expected to take 6 to 8 week to complete. Directly after, PG&E is expected to take 2 to 3 weeks to complete the portion of Tully Road, near the intersection of Whitmore Avenue,

EFFECTIVE JULY 8, 2015
