

# 2017 YEAR END REPORT

## Message from the Sheriff

Law enforcement services for the City of Hughson are performed under a mutual contract with the Stanislaus County Sheriff's Department. Personnel assigned to Hughson Police Services perform Patrol, General Investigations, Traffic Enforcement, Crime Prevention and Business Office functions. A wide array of ancillary services, such as the SWAT Team, Dive Team, Bomb Team and other Administrative functions are also provided by the Sheriffs Operations Center, located on Hackett Rd. in the City of Modesto.

"Our Department exists for no other purpose than to protect and serve our community."

Sheriff Adam Christianson

## Message from the Chief

"It is with great pride that I provide this end of year report of the outstanding efforts the deputies of Hughson Police Services have provided for 2017. Your dedicated team has worked closely with the community to make Hughson a safer place for all of its residents."

## **MILESTONES**

**I have just completed my second full year as Chief of Police in Hughson. This year has included more great memories as I have become more acquainted with a community that has welcomed and embraced law enforcement and our deputies assigned to this city.**

**We have experienced some transfers of deputies out of Hughson as they went on to gain other experience in the Sheriff's Department and advance their careers in law enforcement. Each one of them brought their own personality to the community and their experience will be missed. But as we usher them out, we welcome a fresh crew of dedicated deputies.**

**Many of these deputies are fairly new to our department, but they bring a wealth of life experiences with them. One of our new deputies began his tour in Law Enforcement as an Explorer and chose to be a Deputy. One of our deputies is still active in one branch of the military. Our Community Resource Deputy has even more years of experience in Hughson. He is easily recognized in our community.**

**On November 13, 2016 our own Deputy Dennis Wallace was killed in the line of duty. This day will not be forgotten by our department or by the community. We have attended several remembrances for Dennis this past year as we continue his legacy and commitment to the community.**

**Our staff at Hughson Police Services continues to be dedicated to your community. We attend community events such as; Love Hughson, Trunk or Treat, Hughson Fruit and Nut Festival and the Christmas Parade. Hughson Police Services will continue hands on correspondence with our local and Federal Departments as well as with the Hughson Community.**

**Hughson Police Services continues to post on "Face Book" and "Next Door" as we post more information to share with the community. Social media is a useful tool to keep the citizens of Hughson aware of what is happening in their community. It is also a means for the citizens of Hughson to provide constructive feedback and neighborhood concerns. Our Community Resource Deputy monitors both "Facebook" and "Next Door" sites.**
