Billing: Utility bills are mailed the beginning of the month and are due last business day of the month. The utility bills include the flat rates for water, sewer and garbage plus water usage per 1,000 gallons. Your bill is considered late and subject to a 10% penalty if not paid by the due date. Any bill in delinquent status that requires a discontinuance of service(s) will then require the delinquent bill to be paid in full, as well as a nonrefundable reconnection fee in order for service(s) to be reinstated.

Deposit: If service has never been established in Hughson or if a previous service had a history of late payments, a deposit of \$80.00 will need to be paid in order to start or reconnect service. After 1 (one) year of timely payments for an owner of the property receiving service, the deposit will be credited back into that owners account.
