New Ordinance on Utilities
As of July 1, 2019, Ordinance 13.04.810 went into affect stating that property owners are responsible for City Utility Services. Therefore, all City services for the property need to be under the property owner's name. The property owner may opt to send the utility bill to a tenant but is ultimately responsible for non-payment.

Well 7 Replacement Phase I/II Update

Phase I of the Well 7 Replacement Project has been substantially completed by the contractor, Anthony J. Prieto Well Drilling. This project included sewer pump improvements, drilling/construction at both well sites (by Grossi Fabrication and California TrusFrame) and final testing/inspection. The two new wells (built and tested) have met expectation for performance. On July 8, 2019, the Hughson City Council awarded Well No. 7 Replacement Project Phase II to Gateway Pacific Construction in the amount of \$1,896,104. This phase involves the construction of a 1.0 million gallon concrete storage/blending tank on the City property behind Grossi Fabrication on Tully Road. Work will commence in the upcoming weeks on this phase of the larger City municipal water infrastructure project that also includes the construction of two new water well sites mentioned previously, an arsenic water treatment system, and new water distribution pipeline to connect the well sites.

Advisory Notice

On August 12, 2019, the Hughson City Council awarded the Locust Street Improvement Project to Ross F. Carroll, Inc in the amount of \$168,300 plus contingency. This project is a result of the Joint Project Agreement between the City of Hughson and Hughson Unified School District. The project includes the partial widening of Locust Street and the installation of sidewalk, curb and gutter on the south side of Locust Street, adjacent to the Hughson Sports and Fitness Complex. The official start date of this project is September 3, 2019 and it is anticipated to take no longer than 7-10 days once the Contractor begins work. The City asks that residents please be aware of possible delays or inconveniences during the duration of the Project. For more information, please contact Ashton Gose, Management Analyst at 209-883-4054 agose@hughson.org.

Code Enforcement Monthly Tip

As a friendly reminder, basketball hoops that are on the street or sidewalk are considered street/sidewalk obstructions. They must be placed somewhere where they are not causing an obstruction.

Hughson Municipal Code §12.36.010 requires residents to keep their section of the street and sidewalk clear from any and all obstructions.

If you have any questions or comments, please contact City Hall at (209) 883-4054.
