Animal Services Partnership with DocuPet

Pet licenses are really important. When lost pets end up in our shelter, those with license tags are much more likely to be returned home. Licensing fees also help support pet safety, vaccination clinics, our spay and neuter program, and many other initiatives that protect animals in our community.

Animal Services has partnered with DocuPet so that residents from the unincorporated area of Stanislaus County, and the cities of Ceres, Modesto, Patterson, Waterford, and Hughson can take advantage of their free 24/7 Lost Pet Service and designer tag upgrades.
