FOR IMMEDIATE RELEASE

City of Hughson Kicks off 50th Anniversary Festivities and Unveils the Commemorative Logo

The City of Hughson will celebrate its 50th anniversary of incorporation this year on December 9, 2022! In honor of this special occasion, the City will be organizing fun activities, and contests that will commence September 1, 2022, and take place until our anniversary celebration during the Annual Downtown Christmas Festival and Parade, on December 3, 2022.

To commemorate this special occasion, the City is proud to unveil the 50th Anniversary logo. The logo can be found on the City's homepage at www.hughson.org.

"The City of Hughson is turning 50 years old! Over those 50 years Hughson has had its ups and downs but has continued to grow. Hughson has developed a nice downtown, built a great school system, and brought many organizations together through partnerships. However, the most important element to Hughson's 50 years of success is the people. The residents of Hughson are the best around, and they will help Hughson thrive for the next 50 years and beyond!" – Mayor George Carr

Community members can kick off the festivities by participating in the first celebratory activity – a Student Art Contest! From September 1, 2022-September 30, 2022, K-12 students currently attending school, or living in the City of Hughson can submit artwork related to the theme: "Why I love Hughson." All entrants must fill out an entry form and include a short paragraph on why they love the City of Hughson. For contest information, visit <http://hughson.org/50th-anniversary-festivities/>.

A full calendar of activities and contests will be released in the coming weeks. Opportunities for community members and businesses to join in on the festivities will also be available. Stay updated on the celebration by following the City's social media platforms.
