Meeting Date: March 14, 2016  
Subject: Approval of the Treasurer’s Report – January 2016  
Presented By: John Padilla, City Treasurer  

Staff Recommendation:

Review and approve the City of Hughson Treasurer’s Report for January 2016.

Summary:

The City Treasurer is required to review the City’s investment practices and approve the monthly Treasurer’s report. Enclosed is the City of Hughson’s Treasurer’s Report for January 2016. As of January 2016, the City of Hughson’s total cash and investment balance is $13,398,243.10 and is in compliance with the City’s investment policy. The City has sufficient cash flow to meet the City’s expected expenditures for the next six months.

Background and Overview:

The Treasurer report for January 2016 reflects the most current representation of the City’s funds and investments and provides a necessary outlook for both past, present, and future investment and spending habits. While investments and funds differ from time to time, it is the goal of the City to maintain safety and stability with its funds, while additionally promoting prudence and growth.

Enclosed is the City of Hughson Treasurer’s Report for January 2016 along with supplementary graphs depicting the percentage of the City’s total funds, a breakdown of the January 2016 Developer Impact Fees, and an additional line plot graph further demonstrating the Developer Impact Fees. This graph depicts the Developer Impact Fees’ actual balance for the past five years, and continues with a projection based on the average rate of change for each fund over the next few years. After review and evaluation of the report, City staff has researched funds with a significant deficit balance and submit the following detailed explanation:
**SLESF (Supplemental Law Enforcement Services Fund):**

The Supplemental Law Enforcement Services Fund (SLESF) currently reflects a negative balance of ($28,531.18). Although the SLESF Fund currently depicts a negative balance, the deficit is the result of cash flow. With revenue coming in as expected, the SLESF Fund is expected to return to its normal state by the end of the fiscal year in June.

**Public Facilities Development Streets Fund:**

The Public Facilities Development Streets Fund currently reflects a negative balance of ($214,718.63), reflecting a positive difference of $231,118.86 or a 51.84% increase from the previous year. The deficit is a result of the Euclid Bridge Project, which was constructed in Fiscal Year 2006/2007, for approximately $1.3 million. The project was completed in anticipation of funding from Developer Impact Fees collected from new development. Unfortunately, the housing market declined significantly and the new development never materialized. As the economy strengthens and new building continues, the City can recognize additional developer impact fees and reduce the deficit more quickly.

**Water Developer Impact Fee Fund:**

The Water Developer Impact Fee Fund currently reflects a negative balance of ($314,930.44), reflecting a positive difference of $183,440.79 or a 36.81% increase from the previous year. After extensive review, City staff discovered that the remaining deficit is attributable to settlement arrangements that were made in Fiscal Year 2008/2009 and Fiscal Year 2009/2010 for the Water Tank on Fox Road near Charles Street. The Project Cost of the Water Tower Project was $2,400,000. During that period, the City paid out $650,000 in settlements. This account will be in a deficit position until additional development occurs and developer impact fees are collected to cover those unanticipated settlement costs.

Based on a review of Water Development and Street funds, City staff expects development in the Feathers Glen (42 units) and Euclid South (69 units) subdivisions, or about 110 units to be built to see a positive balance in the Water and Street Development funds. The Euclid North (50 units) subdivision is expected to follow shortly thereafter. These units reflect the areas that are most likely to see development within the City limits—with construction in Feathers Glen already in progress and under construction.

**Transportation Capital and CDBG Street Project Fund:**

The Transportation Capital Project Fund currently reflects a negative balance of ($550,538.96), reflecting a negative difference of $248,128.09 or an 82.05% decrease from the previous year. The CDBG Street Project Fund currently reflects a negative balance of ($200,792.25), reflecting a positive difference of $7,787.67 or a 3.73% increase from the previous year. As the City continues to produce transportation and street projects, these funds will likely continue to show a negative balance. Currently the
City is pending reimbursement for the Tully Road and Hughson Avenue projects. City staff will continue to monitor and report the status of these reimbursements as the funds become available.

**Fiscal Impact:**

As of January 2016, the total cash and investments balance for the City of Hughson is $13,398,243.10. This compares to January 2015’s total cash and investments balance of $11,775,197.53 demonstrating a $1,623,045.57 or a 13.78% increase.

Meeting Date: March 14, 2016
Subject: Adoption of Resolution No. 2016-04, Approving and Authorizing the Submission of the 2015/2016 Local Transportation Fund Claim to the Stanislaus Council of Governments (StanCOG)
Presented By: Lisa Whiteside, Finance Manager

Approved By: _________________________________

Staff Recommendation:

1. Adopt Resolution No. 2016-04, approving and authorizing the submission of the Local Transportation Funds (LTF) Claim to the Stanislaus Council of Governments (StanCOG).

2. Authorize the City Manager to execute and submit the City of Hughson Local Transportation Fund (LTF) Claim for Fiscal Year 2015/2016, in the amount of $72,464

Background and Overview:

The California Legislature, looking to improve existing public transportation services and encourage regional transportation coordination, passed the Transportation Development Act (TDA) of 1971. This law provides funding to be allocated to transit and non-transit related purposes that comply with regional transportation plans.

The TDA provides two funding sources:

1. Local Transportation Fund (LTF), which is derived from a ¼ cent of the general sales tax collected statewide.
2. State Transit Assistance fund (STA), which is derived from the statewide sales tax on diesel fuel.
The State Board of Equalization, based on sales tax collected in each county, returns the general sales tax revenues to each county’s LTF.

**Discussion:**

Each year the City Council of the City of Hughson is required to adopt a resolution to approve the City’s Local Transportation Fund claims, which are distributed through the Stanislaus Council of Governments (StanCOG).

In the Stanislaus region, TDA law allows local agencies to use LTF funds on local streets and roads, provided that all unmet transit needs that are found “reasonable to meet” are funded. If there are funds remaining, they can be used for local road projects, such as street improvement, sidewalk installation and repair, and bicycle facilities.

The item before the City Council is a request for approval to submit the Local Transportation Fund Claim. Once the Hughson City Council approves the claim it will be submitted to the StanCOG Policy Board for approval. This process will allow the City to obtain its allocation of Local Transportation Funding.

**Fiscal Impact:**

This process is required for the City of Hughson to receive the Fiscal Year 2015/2016 allocation of $72,464 of Local Transportation Funding.
RESOLUTION OF THE CITY COUNCIL OF THE CITY OF HUGHSON
APPROVING AND AUTHORIZING THE SUBMISSION OF THE 2015/16
TRANSPORTATION FUND (LTF) CLAIM AND AUTHORIZING THE CITY
MANAGER TO EXECUTE AND SUBMIT THE CLAIM ON BEHALF OF THE CITY

WHEREAS, each year the City Council of the City of Hughson is required to
adopt a resolution to approve the City’s Local Transportation Fund claims, which
are distributed through the Stanislaus Council of Governments (StanCOG); and

WHEREAS, the Hughson City Council has established priorities for
construction/improvement projects; and

WHEREAS, the Stanislaus Council of Governments (StanCOG) has
informed the City, per the Transit Cost Sharing Procedures, that the City’s Local
Transportation Fund allocation is $72,464 for Fiscal Year 2015/2016.

NOW, THEREFORE, BE IT RESOLVED that the City Council of the City of
Hughson hereby approves the Fiscal Year 2015/2016 LTF Claim, and authorizes
the City Manager to execute and submit the Claim as attached on behalf of the
City of Hughson to the Stanislaus Council of Governments.

LISA WHITESIDE, Temporary City Clerk
The City of Hughson hereby requests, in accordance with the Transportation Development Act and applicable rules and regulations, that its claim for other purposes be approved in the amount of $72,464 for fiscal year 2015/16, to be drawn from the Local Transportation Fund.

When approved, please transmit this claim to the County Auditor for payment. Approval of the claim and payment by the County Auditor to this applicant is subject to such monies being on hand and available for distribution, and to the provisions that such monies will be used only in accordance with the terms contained in the approving resolution to the Stanislaus Council of Governments.

The claimant certifies that this Local Transportation Fund claim and the financial information contained therein is reasonable and accurate to the best of my knowledge and conforms with the requirements of the Transportation Development Act and applicable rules and regulations.

NONMOTORIZED REGULATION/POLICY REMINDERS:

A. State law allows a jurisdiction to use LTF to update a Bicycle Action Plan once every five years (PUC 99234(h)).

B. State law allows a jurisdiction to use up to 20% of the amount available each year to restripe Class II bicycle lanes (PUC 99234(h)).

C. State law allows a jurisdiction to use up to 5% of the amount available each year to supplement moneys from other sources to fund bicycle safety education programs, but the funds shall not be used to fully fund the salary of any one person (PUC 99233.3).

D. All funds must be spent within five years of receipt. Over the five-year period shown in Table 3, at least 50% of funds must be spent for bicycle purposes. StanCOG will not allocate funds to any jurisdiction which is in violation of these policies.

NOTES:

* By StanCOG policy, all bike projects must appear in either StanCOG's Bicycle Action Plan, or in a City or County bicycle plan, to be eligible for LTF funding.

** Beginning with FY 2003/04, nonmotorized funds will only be allocated by StanCOG for specific projects. If no project is identified, funds will be held in reserve at StanCOG for eventual use by that jurisdiction.

Meeting Date: March 14, 2016
Subject: Adoption of Resolution No. 2016-05, Adopting the City of Hughson’s American’s with Disabilities Act (ADA) Service Request/Complaint Process and Form
Enclosure: City of Hughson ADA Complaint Procedures
City of Hughson ADA Complaint Form
Presented By: Jaylen French, Community Development Director
Approved By: __________________________

Staff Recommendation:

Adopt Resolution No. 2016-05, adopting the City of Hughson’s American’s with Disabilities Act (ADA) Service Request/Complaint Process and Form.

Background and Overview:

On July 26, 1990, the United States Congress enacted Title II of the Americans with Disabilities Act (ADA). This Federal law requires that municipalities provide disabled persons access to its services, programs, and activities. Regulations implementing the law set forth standards for what constitutes discrimination on the basis of mental or physical disability, providing a definition of disability and qualified individual with a disability, and establishing a complaint mechanism for resolving these barriers (28 CFR 35).

Title II extends the prohibition on discrimination established by section 504 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. 794, to all activities of State and local governments regardless of whether these entities receive Federal financial assistance.

Further, the California Department of Transportation (Caltrans) requires that each local agency address ADA accessibility issues in a three (3) step process. This is the first step in said process. The next two steps, which will be completed over the next several years will be to self-assess ADA accessibility issues and begin planning and budgeting for these improvements. The final step is to construct the improvements. Caltrans could, if not addressed, withhold funding which is administered through the State.
Discussion:

The City of Hughson is dedicated to ensuring that all City programs, services, benefits, activities and facilities operated or funded by the City are fully accessible to and useable by all residents or visitors to the City.

The Community Development Department oversees the implementation and local enforcement of the City’s obligations under the ADA and other Federal and State disability civil rights laws and accessibility laws.

The City ADA Service Request / Complaint Process describes the process by which an individual can file an ADA related service request or complaint. Individuals who desire an accommodation or modification to a program, service or activity of the City may complete the Service Request / ADA Complaint Form as a written request for accommodation or barrier removal with the Community Development Department.

The City will make every effort to address urgent or time-sensitive matters immediately. In all other cases, after reviewing the matter, if the City needs time to provide the service or remedy the barrier requested, the City will provide notification of what action the City proposes and in what timeframe.

Fiscal Impact:

There is no direct fiscal impact associated with the adoption of this mandatory ADA Service Request / Complaint Process and Form.

Costs associated with ADA related improvements required will occur and will come from various funds, including the General Fund, Community Enhancement and others depending on the type and location of the needed improvements.

City of Hughson
Service Request / ADA Complaint Process

The City of Hughson is dedicated to ensuring that all City programs, services, benefits, activities and facilities operated or funded by the City are fully accessible to and useable by those with disabilities.

The Community Development Department oversees the implementation and local enforcement of the City's obligations under the Americans with Disabilities Act (ADA) and other federal and state disability civil rights laws and accessibility laws.

SERVICE REQUEST / ADA COMPLAINT PROCESS

Service Request
Individuals who desire an accommodation or modification to a program, service, or activity of the City may complete the Service Request / ADA Complaint Form as a written Request for Accommodation or Barrier Removal with the Community Development Department.

The City will make every effort to address urgent or time-sensitive matters immediately. After reviewing the matter, if the City needs time to provide the service or barrier removal requested, the City will provide notification of what action the City proposes and in what time frame.

Requests or complaints can be made directly to the Community Development Director, Jaylen French by email at JFrench@hughson.org or phone at (209) 883-4054.

Formal Complaint Process
Complaints should be filed within 180 days from the date the complainant becomes aware of the problem.

Complaints should include the following information, if available:

- Name, address, and telephone number or e-mail address of the complainant or complainant's representative.
- A brief description of the alleged violation, the location of the alleged violation, dates of violation and names and contact information of any contact persons or witnesses.
- Any supporting evidence, such as photographs, diagrams, letters, policies or other documents which indicate the nature of the alleged violations and any attempts that have been made to resolve the issue.
- Any suggested proposals to resolve the complaint.
A letter acknowledging receipt of the complaint will be sent to the complaining party within five (5) business days of receipt of the complaint. The Community Development Director will oversee investigation of the complaint, which will be completed within thirty (30) days of receipt of the complaint.

Upon completion of the investigation, the Community Development Director, or his/her designee, will advise the complaining party of the result of the investigation in writing. If it is determined that any of the violations alleged in a complaint are unfounded, the City will include the factual and legal basis for that determination in the letter.

In the event that the investigation determines that there is a violation of state or federal disabled access laws and regulations, a final resolution, which will include a proposed remedy and timeline for the remedy, will be reached with respect to such ADA Complaint Process within ninety (90) days from confirmation of the violation.

The complainant can appeal the decision to the Planning Commission in instances where he or she is dissatisfied with the resolution. The request for appeal should be made within ten (10) days of receipt of the City's response to the complaint to the Community Development Director.

The Community Development Director shall maintain the files and records of the City of Hughson, relating to the complaints filed, for a period of three (3) years. Copies of complaints may be requested from the Community Development Director in accordance with the California Public Records Act. Names and addresses of the complainants will be redacted to protect the individuals' privacy rights, if copies of complaints are produced.

The right of a person to a prompt and equitable resolution of the complaint filed hereunder shall not be impaired by the person's pursuit of other remedies, such as the filing of an ADA complaint with the responsible state or federal department or agency. Use of this complaint procedure is not a prerequisite to the pursuit of other remedies.

If assistance in the filing of a complaint is needed, contact the Community Development Director as listed above.

Meeting Date: March 14, 2016
Subject: Approval of Set the Terms of the Interfund Loan between the Water Fixed Asset Replacement Fund and the Water Fund and Adopt Resolution No. 2016-06, Authorizing Full Payment of the Installment Purchase Agreement to the United States of America, Department of Agriculture, Rural Utilities Service
Presented By: Shannon Esenwein, Director of Finance
Approved By: ___________________________

Staff Recommendation:

1. Approve the terms of the interfund loan from the Water Fixed Asset Replacement Fund to the Water Fund.

2. Adopt Resolution No. 2016-06, authorizing the full payment of the Installment Purchase Agreement to the United States of America, Department of Agriculture, Rural Utilities Service.

Background and Discussion:

On May 20, 2015, the Budget and Finance Subcommittee directed City staff to look at utilizing cash to pay down debt. On May 26, 2015, the City Council directed staff to review early debt repayment options. On October 26 and November 23, 2015, staff presented debt reduction options to the City Council. At that time, the City Council approved an Interfund Loan Policy allowing the City to provide short term loans, not to exceed 5 years, between funds.

Currently, the City of Hughson has a debt service to the United States of America, Department of Agriculture, Rural Utilities Services (USDA Water Loan) with a principal loan balance of $390,000. The terms of the loan are 4.50% interest and a maturity date of April 1, 2037.

City staff recommends initiating an interfund loan between the Water Fixed Asset Replacement Fund (82) and the Water Operations and Maintenance Fund (80) in the amount of $380,000. This amount is comprised of the current principal balance of $390,000 less the principal payment of $10,000 budgeted in Fiscal Year 2015-2016. As of December 31, 2015, the current Local Agency Investment Fund (LAIF) quarterly apportionment rate is 0.37%. City staff recommends using the LAIF interest rate as of December 31, 2015 as the interest rate for the interfund
loan. Exhibit “A” details the terms of the interfund loan and the debt service amortization schedule.

As of January 31, 2016, the cash balance of Fund 82 – Water Fixed Asset Replacement Fund is $822,958. If the interfund loan is approved, the anticipated fund balance for Fund 82 will be approximately $535,000 on June 30, 2016. The approval of the interfund loan and the full payment of the USDA Water Loan in the amount of $390,000 plus accrued interest will save the water fund approximately $214,000.

**Fiscal Impact:**

The fund balance of Fund 82 - Water Fixed Asset Replacement will reduce by $380,000 if this item is approved as recommended. By using available cash from Fund 82 to pay off the USDA Loan, the approximate interest savings to the Water Fund will be $214,000.
A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF HUGHSON
AUTHORIZING AND DIRECTING PREPAYMENT OF THE INSTALLMENT
PURCHASE AGREEMENT WITH THE UNITED STATES OF AMERICA,
DEPARTMENT OF AGRICULTURE, RURAL UTILITIES SERVICE

WHEREAS, the City Council of the City of Hughson entered into a purchase
of certain property through a Certificate of Participation, pursuant to an Installment
Purchase Agreement, No. R-001 on September 26, 1997, for the purposes of
obtaining a loan for the 1997 Water System Improvement Project; and

WHEREAS, the Installment Purchase Agreement is secured solely from Net
Water Revenues; and

WHEREAS, the City makes semi-annual payments of interest and annual
payments of principal, with the final payment due in April 2037; and

WHEREAS, the Certificates of Participation can be redeemed by mailing a
redemption notice at least thirty days prior to the date fixed for redemption; and

WHEREAS, the governing body of the City of Hughson has determined to
prepay the Installment Purchase Agreement and thereby (1) avoid additional
interest charges which would otherwise accrue over time, and (2) effectuate a
release of the lien currently held upon the Pledged Revenues:

NOW THEREFORE, BE IT RESOLVED:

1. City staff is hereby authorized and directed to redeem the Certificates of
Participation pursuant to an Installment Purchase Agreement with the United
States of America, Department of Agriculture, Rural Utilities Service, including all
outstanding principal and accrued interest on April 12, 2016. Such redemption
shall be made from legally available funds of the Water Fund. City staff is hereby
authorized to take such actions as may be required or desirable in furtherance of
the prepayment authorized hereunder.

2. This Resolution shall take effect immediately upon its adoption.

Exhibit A
Meeting Date: March 14, 2016
Subject: Consideration of Resolution No. 2016-07, Accepting the Hughson Avenue Improvement Project and Authorizing the City Clerk to File a Notice of Completion
Presented By: Martha Serrato, Accounting Technician II

Approved: ____________________________

Staff Recommendation:

Adopt Resolution No. 2016-07, accepting the Hughson Avenue Improvement Project and authorizing the City Clerk to file a Notice of Completion (NOC).

Background:

At its regularly scheduled meeting of July 27, 2015, the Hughson City Council awarded a contract for the Hughson Avenue Improvement Project to low bidder McFadden Construction, Inc. in the amount of $131,975. The City Council also authorized a $13,197.50 (10%) contingency and a $13,197.50 (10%) set-aside for construction testing and inspection for a total of $158,370.

Discussion:

The Hughson Avenue Improvement Project consisted of the complete reconstruction of Hughson Avenue easterly of 7th Street, as well as the installation of new sidewalks on the north side of the roadway.

Additional work was added to the original contract scope in agreement with the Hughson Unified School District (HUSD) for the re-pavement of the five (5) stall parking lot, and sidewalk replacement in school district property. The Hughson Unified School District agreed to share in the cost of the additional work which totaled $16,687.12. Recently, the City of Hughson received a check for HUSD's share ($7,013.11) of the work.

The project is now complete. Should the City Council accept the improvements, the next step is to file a Notice of Completion with the Stanislaus County Clerk-Recorder.
Fiscal Impact:

The total project cost was $150,247.19. Monies in the amount of $173,370 were budgeted in the City of Hughson Fiscal Year 2015-2016 Final Budget: $158,370 in Fund 88 Public Works Street Projects – CDBG and $15,000 in Fund 40 General Fund-Street Maintenance.
A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF HUGHSON
ACCEPTING THE HUGHSON AVENUE IMPROVEMENT PROJECT AND
AUTHORIZING THE CITY CLERK TO FILE A NOTICE OF COMPLETION

WHEREAS, at its regularly scheduled meeting of July 27, 2015, the
Hughson City Council awarded a contract for the Hughson Avenue Improvement
Project in the amount of $131,975 to low bidder McFadden Construction, Inc.; and

WHEREAS, the project consisted of the complete reconstruction of
Hughson Avenue easterly of 7th Street as well as the installation of new sidewalks
on the north side of the roadway; and

WHEREAS, additional work was added to the original contract scope in
agreement with the Hughson Unified School District (HUSD) for the re-pavement
of the five (5) stall parking lot, and sidewalk replacement in school district property; and
WHEREAS, the Hughson Unified School District agreed to equally split the
cost of the additional work; and

WHEREAS, the project work has been inspected and found to be complete.

NOW THEREFORE BE IT RESOLVED that the Hughson City Council
hereby accepts the Hughson Avenue Improvement Project and authorizes the City
Clerk to File a Notice of Completion with the Stanislaus County Clerk-Recorder.

Meeting Date: March 14, 2016
Subject: Consideration to Waive the Fees Pertaining to the Use of Rolland Starn Park/Keith Crabtree Field for Hughson Youth Baseball/Softball for the 2016 Regular Season
Enclosures: HYBS’s Proposed Improvements
Presented By: Jaylen French, Community Development Director

Approved By: ________________________________

Staff Recommendation:

1. Waive the fees pertaining to the use of Rolland Starn Park/Keith Crabtree Field for Hughson Youth Baseball/Softball for the 2016 regular season.

2. Find that the waiver of the fees pertaining to the use of Rolland Starn Park/Keith Crabtree Field for Hughson Youth Baseball/Softball for the 2016 regular season is in the public interest.

Background and Overview:

The City Council previously adopted Resolution No. 2008-42 to establish the fee schedule for rental of use of Rolland Starn Park. This includes use of the baseball diamond named in memoriam of Keith Crabtree, a long standing member of the Hughson Parks and Recreation Commission. The fee for rental and use of Keith Crabtree Field by local nonprofit users is $20 for three hours. The fee for use of the ball field lights is $22 per hour. The fee schedule for Rolland Starn Park allows for the waiver of such fees through approval by the City Council and a finding that the request is in the public interest. Exclusive use of the ball fields have priority scheduling over other uses including public use on a first come first basis.

Hughson Youth Football and the Mexican American Baseball League are the predominant users of the Rolland Starn Park. General public use of the various amenities (baseball field, large covered picnic area, small covered picnic area and uncovered picnic areas) also occurs.

Discussion:

In preparation for the 2014 season, Hughson Youth Baseball/Softball (HYBS) inquired about the use of Keith Crabtree Field to allow HYBS to better
accommodate the number of games planned for the season which has expanded over the years. HYBS also anticipated using the lights at Keith Crabtree Fields a few times during the season to showcase games at night—a unique experience for local youth. Historically, HYBS has used Lebright fields for their league games.

HYBS requested a waiver for their inaugural use of Keith Crabtree Fields in exchange for improvements to the baseball diamond. The City Council approved the waiver in 2014 and in 2015 on the basis of the public interest served and the fact that the planned improvements exceeded what would be generated in the usage fees collected. Specifically, improvements made and costs incurred by HYBS were clay purchased for the infield and related labor, three base pins welded and inserted, the pitching mound and 20 yards of dirt for the field. In total, said improvements were estimated at over $2,500.

The initial waiver request was for the 2014 season only. The Council has since approved a fee waiver for the 2015 season. City staff met with HYBS representatives last month to discuss the arrangement details for the 2016 season. Based on the registrations thus far, HYBS anticipates participation by local youth to exceed last year’s totals. Opening day ceremonies for the 2016 season are scheduled for April 2, 2016.

HYBS is a local nonprofit which has a long standing history in the City of Hughson and through an arrangement with both Hughson Unified School District and the City of Hughson utilizes Lebright Fields annually through the baseball/softball season (April to June). Lebright Fields is used at a reduced rate in exchange for a commitment by HYBS making annual improvements to the baseball fields.

Keith Crabtree Field at Starn Park is maintained by the City. The partnership with HYBS will result in added improvements to the baseball diamond above and beyond what is typically done with existing City resources. The improvements can be enjoyed by not only HYBS but other park users throughout the year. The improved condition of the baseball diamond should help generate additional revenue through expanded usage and also encourage long standing users to continue to utilize the field due to its improved condition.

At its regularly scheduled meeting on Tuesday, March 8, 2016, the Hughson Parks and Recreation Commission unanimously recommended that the City Council waive the rental fees pertaining to the use of Rolland Starn Pak for the HYBS 2016 season and found that the waiver of the fees was in the public interest.

**Fiscal Impact:**

The revenue that would be generated through the use of Keith Crabtree Field by HYBS for the season is approximately $580 not including usage for lights. The improvements to be made by HYBS are estimated at $2,125 and include purchase of clay for the infield, labor to install the clay, base pins, improvements to pitching mound and 20 yards of dirt installed. The value of the improvements exceeds the estimated rental revenue by nearly 4 times.

Subject: Approval to Adopt Resolution No. 2016-08, Approving the Conversion of Two-Way Stops to Four-Way Stops at the Intersections of Fox Road/Charles Street and Whitmore Avenue/Tully Road
Presented By: Jaylen French, Community Development Director

Staff Recommendation:

Adopt Resolution No. 2016-08, approving the conversion of two-way stops to four-way stops at the intersection of Fox Road/Charles Street and Whitmore Avenue/Tully Road.

Background and Overview:

City staff and the City Council frequently receive comments, suggestions, complaints regarding the intersection of Fox Road and Charles Street. The comments concern the safety of the intersection for pedestrians, the speed at which vehicles travel and the fact that they do not need to stop at Charles Street traveling on Fox Road, a long and straight roadway, which encourages greater speed.

More recently, City staff has received comments, suggestions, complaints regarding the intersection of Whitmore Avenue and Tully Road. The comments concern the sight distance on Tully Road attempting to cross or turn onto Whitmore Avenue, the ability to turn left and right onto Tully Road and the ability of large trucks, which frequent this industrial area, to navigate the intersection.

Discussion:

Fox Road and Charles Street Intersection

Late last year, City staff commissioned an “all-way stop warrant analysis” for the intersection of Fox Road and Charles Street. Such analyses, review five (5) different guidelines, or criteria to determine if an all-way, or four-way, stop is
warranted. The report, which was completed on December 9, 2015, determined that a four-way stop was not warranted as four (4) of the five (5) criteria were satisfied. The other criteria were not applicable.

Since December, City staff has attempted to better understand the analysis, the methodology and approach of such analyses and if there was further recourse for the City in this regard.

City staff’s first approach was to discuss the day and time in which the analysis was completed—Tuesday, November 17, 2015 from 7:15 to 8:15 am and 2:45 to 3:45 pm. This represents the peak times in the morning and in the afternoon. Staff inquired why the analysis wasn’t performed on a weekend or during a sports season in which Lebright Fields are in use. According to the City Engineer, the analysis is supposed to represent the average day, not the peak day, because a four-way stop will be in place 24 hours a day, 7 days a week if installed, not just during these relatively few peak times.

Nevertheless, the City continues to receive comments regarding this intersection. City staff then inquired of the Engineer if the City Council could approve the four-way stop, despite the results of the analysis. It was confirmed that in fact the Council could, at their discretion, fully aware of the results of the analysis, approve the four-way stop if desired and the liability to the City would be minor as approving the four-way stop would be the more safety conscious action. Conversely, the Council could also deny a four-way stop that had met warrants, but this would be the less safety conscious action and therefore, the City could carry some liability.

Staff’s recommendation, based on firsthand knowledge of the intersection—during peak times and non-peak times and in consideration of the numerous comments from the residents and the fact that this is a heavily traveled area by children for both school and sports, is to approve the four-way stop at this intersection.

_Whitmore Avenue and Tully Road Intersection_

City staff also receives comments regarding this intersection, although to a lesser degree than Fox Road and Charles Street. Based on these comments, City staff in coordination with the City Engineer informally reviewed the intersection and found several issues which affect safety, including: 1) the ability to adequately see traffic on Whitmore Avenue from the southern segment of Tully Road, 2) the misalignment of the intersection at all four segments, 3) the speed at which vehicles are traveling heading east on Whitmore, and 4) the width of the northern segment of Tully Road—although this is temporary. All of these issues are exacerbated by the fact that many large commercial trucks utilize these two roadways and intersection frequently.

As with the Fox Road and Charles Street intersection, City staff sought a proposal to perform a four-way stop warrants analysis on this intersection. The proposed cost was $2,700. To be good stewards of tax payer dollars and due to City staff’s strong belief that a four-way stop is an improvement for the safety and functionality of the intersection, City staff, after discussing with the City Engineer, is proposing
to forgo the warrants analysis for this intersection and is recommending that the Council approve the four-way stop. It is staff’s opinion that a four-way stop will not only improve the operations of the intersection, but will help to slow travelers who are heading west on Whitmore from the rural and higher speeds portions of the roadway into the City near the increasingly bustling shopping center.

**Fiscal Impact:**

If approved, the installation of two (2) four-way stops at the subject intersections will require approximately $400 in direct costs and approximately six (6) person hours of staff time. The adopted City of Hughson Fiscal Year 2015-16 Final Budget includes sufficient monies in fund 40-320-6101 (General Fund, Street Maintenance) for this purchase.
A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF HUGHSON APPROVING THE CONVERSION OF TWO-WAY STOPS TO FOUR-WAY STOPS AT THE INTERSECTIONS OF FOX ROAD/CHARLES STREET AND WHITMORE AVENUE/TULLY ROAD

WHEREAS, City staff and the City Council frequently receive comments, suggestions, complaints regarding the intersection of Fox Road and Charles Street. The comments concern the safety of the intersection for pedestrians, the speed at which vehicles travel and the fact that they do not need to stop at Charles Street traveling on Fox Road, a long and straight roadway, which encourages greater speed; and

WHEREAS, City staff has received comments, suggestions, complaints regarding the intersection of Whitmore Avenue and Tully Road. The comments concern the sight distance on Tully Road attempting to cross or turn onto Whitmore Avenue, the ability to turn left and right onto Tully Road and the ability of large trucks, which frequent this industrial area, to navigate the intersection; and

WHEREAS, in late-2015, the City commissioned an all-way stop warrant analysis for the Fox Road and Charles Street Intersection; however, the intersection did not satisfy the criteria in four (4) of the five (5) categories and the other was not applicable; and

WHEREAS, the City continues to receive comments regarding the Fox Road and Charles Street intersection and recommends based on firsthand knowledge of the intersection—during peak times and non-peak times and in consideration of the numerous comments from the residents and the fact that this is a heavily traveled area by children for both school and sports, the approval of the four-way stop at this intersection; and

WHEREAS, based on these comments, City staff in coordination with the City Engineer informally reviewed the intersection and found several issues which affect safety and operability, including: 1) the ability to adequately see traffic on Whitmore Avenue from the southern segment of Tully Road, 2) the misalignment of the intersection at all four segments, 3) the speed at which vehicles are traveling heading east on Whitmore, and 4) the width of the northern segment of Tully Road—although this is temporary. All of these issues are exacerbated by the fact that many large commercial trucks utilize these two roadways and intersection frequently; and

WHEREAS, City staff sought a proposal to perform a four-way stop warrants analysis on this intersection. The proposed cost was $2,700. To be good stewards of tax payer dollars and due to City staff’s strong belief that a four-way stop is an
improvement for the safety and functionality of the intersection, City staff, after discussing with the City Engineer, is proposing to forgo the warrants analysis for this intersection and is recommending that the Council approve the four-way stop; and

WHEREAS, it is staff’s opinion that a four-way stop will not only improve the operations of the intersection, but will help to slow travelers who are heading west on Whitmore from the rural and higher speeds portions of the roadway into the City near the increasingly bustling shopping center.

NOW, THEREFORE, BE IT RESOLVED that the Hughson City Council does hereby affirm that the City of Hughson approve the conversion of two-way stops to four-way stops at the intersections of Fox Road/Charles Street and Whitmore Avenue/Tully Road.

Subject: Approval of an Agreement with the Hughson Chamber of Commerce for Promotional and Notary Services
Presented By: Raul L. Mendez, City Manager

Approved By: ________________________________

Staff Recommendation:

1. Approve an agreement with the Hughson Chamber of Commerce for Promotional and Notary Services.

2. Authorize the Mayor to execute the said agreement inclusive of an final edits by the City Attorney.

Background and Overview:

During its October 26, 2015 meeting, the Hughson Economic Development Committee considered a sponsorship request by the Hughson Chamber of Commerce for events scheduled for the upcoming year—Hughson Fruit and Nut Festival and the Hughson Christmas Festival. Due to the success of both events, the Chamber presented a promotional opportunity for the City of Hughson during the annual signature events. The EDC discussed the request and directed City staff to research how other cities fund local chamber activities.

City staff returned back to the EDC with their research and findings and noted that some of the cities surveyed fund local chamber activities through transient occupancy tax (TOT) receipts. TOT is charged in most states to travelers when renting accommodations in a hotel, inn, tourist home or house, motel or other lodging unless the stay is for a period of 30 days or more. It was noted that the City of Hughson does not generate revenue through this source due to lack of such accommodations within the City limits.

City staff indicated that in most cases a contractual agreement between the City and the Chamber of Commerce is the vehicle for such funding allocation provided that specific services are detailed and a general benefit is identified. City staff was directed to structure such an agreement and bring the item to the City Council for consideration and action.
Discussion:

The mission of the Hughson Chamber of Commerce is “to promote economic growth, to be the leading public policy advocate for business, to be a strategic partner in initiatives that improve the quality of life and economic well-being of our citizens and agricultural and city businesses. The Chamber will encourage business development and other association networking, providing members with useful information and services. We will be action oriented, responsive, and demonstrate outstanding leadership and integrity in our community.”

Following its annual retreat on January 11, 2016, the Hughson Chamber of Commerce Board of Directors outlined current initiatives and explored new services to be offered based on the needs of local businesses. Notary and Certificate of Origin services were two new services that the Board of Directors expressed interest to provide to members and the public going forward.

A Notary is a public officer or other person authorized to authenticate contracts, acknowledge deeds, take affidavits, protest bills of exchange, take depositions, etc. A Certificate of Origin (CO) is an important international trade document attesting that goods in a particular export shipment are wholly obtained, produced, manufactured or processed in a particular country. COs also constitute a declaration by the exporter.

The Hughson Chamber of Commerce began steps to initiate Notary and Certificate of Origin services from their location at 7012 Pine Street so that they are available both to members and non-members for a fee to cover the cost of providing the service. The Certificate of Origin is expected to be something that is utilized by local producers and will promote Hughson during the trading or exchange of goods.

These new services would complement current Chamber initiatives including but not limited to festivals (Hughson Fruit and Nut and Hughson Christmas), networking opportunities, business support, marketing, referrals, ribbon cuttings, education, etc.

The Agreement with the Hughson Chamber of Commerce for Promotional and Notary Services is included in full as an attachment to the staff report. The main elements are as follows:

Extension: By Written Agreement.
Cost: $5,000 (Paid in Two Equal Installments).
Services: VIP Stars Sponsorship of the Hughson Fruit and Nut Festival.
          Event Sponsorship of the Hughson Christmas Festival.
          Promotion of the Hughson Farmers’ Market
          Notary services.
          Certificate of Origin services.

The said services provided by the Hughson Chamber of Commerce through this agreement will promote the City of Hughson and its initiatives at the specified
events. Furthermore, it will facilitate the provision of two new services (Notary and Certificate of Origin) locally to the Hughson area.

**Fiscal Impact:**

The cost associated with the Agreement with the Hughson Chamber of Commerce for Promotional and Notary Services of $5,000 will be funded from the General Fund and specifically through the City Manager Department (120). For the current fiscal year, the expense will be revisited during the year-end review and an adjustment to the budget will be recommended at that time only if necessary. In future years, the contract expense will be incorporated into the annual budget process.
AGREEMENT BETWEEN
THE CITY OF HUGHSON AND THE HUGHSON CHAMBER OF COMMERCE
FOR PROMOTIONAL AND NOTARY SERVICES

This Agreement for Promotional and Notary Services (the "Agreement") is made and entered into this 15th day of March, 2016 by and between the City of Hughson, a General Law City ("City") and the Hughson Chamber of Commerce ("Chamber").

herein contained. No term, covenant or condition of this Agreement shall be deemed to have been waived by the Chamber or City unless in writing.

12.4. Each right, power and remedy provided for herein or now or hereafter existing at law, in equity, by statute, or otherwise shall be cumulative and shall be in addition to every other right, power, or remedy provided for herein or now or hereafter existing at law, in equity, by statute, or otherwise. The exercise, the commencement of the exercise, or the forbearance of the exercise by any party of any one or more of such rights, powers or remedies shall not preclude the simultaneous or later exercise by such party of any of all of such other rights, powers or remedies. In the event legal action shall be necessary to enforce any term, covenant or condition herein contained, the party prevailing in such action, whether reduced to judgment or not, shall be entitled to its reasonable court costs, including accountants’ fees, if any, and attorneys’ fees expended in such action. The venue for any litigation shall be Stanislaus County, California.

12.5. If any term or provision of this Agreement or the application thereof to any person or circumstance shall, to any extent, be invalid or unenforceable, then such term or provision shall be amended to, and solely to, the extent necessary to cure such invalidity or unenforceability, and in its amended form shall be enforceable. In such event, the remainder of this Agreement, or the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and each term and provision of this Agreement shall be valid and be enforced to the fullest extent permitted by law.

12.6. This Agreement shall be governed and construed in accordance with the laws of the State of California.

12.7. All documents referenced as exhibits in this Agreement are hereby incorporated into this Agreement. In the event of any material discrepancy between the express provisions of this Agreement and the provisions of any document incorporated herein by reference, the provisions of this Agreement shall prevail. This instrument contains the entire Agreement between City and the Chamber with respect to the transactions contemplated herein. No other prior oral or written agreements are binding upon the parties. Amendments hereto or deviations herefrom shall be effective and binding only if made in writing and executed by City and the Chamber.

TO EFFECTUATE THIS AGREEMENT, the parties have caused their duly authorized representatives to execute this Agreement on the dates set forth below.
